PRIVATE LOAN CERTIFICATION REQUEST

I am requesting that the Delaware College of Art and Design Financial Aid Office certify Alternative Loan for me. The amount that I am requesting will be used to support the expenses associated with the cost of my education and other daily needs while I am attending your institution.

I have been advised of the availability of Federal Aid. A Representative from the Financial Aid Office has provided information about Federal Loan programs with the competitive rates and a variety of repayment options that I can take advantage of by completing the FAFSA (Free Application for Federal Student Aid).

Check One Option Below

☐ I have filed my FAFSA, however, I still need additional funding. Please add this request to my Financial Aid Package.

☐ At this time I do not wish to take advantage of the other options offered to me, but I do understand that the process of certification will take into consideration other aid that I may be eligible for. I therefore decline to complete the FAFSA to determine eligibility.

Please accept my signature as acknowledgement of my options and my responsibility to pay the tuition and fees due with these Private Alternative Loan Funds.
