

## FINE ARTS

---

4.28.2017

### GOALS

1. To develop students' technical skills, historical knowledge, visual vocabulary and critical abilities.
2. To foster individual vision, expression, and creativity.
3. To prepare students for further study in fine arts or other areas of art and design.

### COMPETENCIES

1. Apply various concepts and techniques, both current and historic, of drawing, painting, printmaking, sculpture, and mixed media to create well-organized visual works. (CC 3, 4, 7) (FN 1, 2, 3)
2. Demonstrate knowledge of different working tools and processes in the Fine Arts area. (CC 4) (FN 1, 2, 3)
3. Conceive and execute works in a variety of media to achieve strong, personal pictorial statements. (CC 4) (FN 1, 2, 3)
4. Demonstrate creative thinking, critical awareness, analytic skills, and ability to communicate and evolve ideas. (CC 1, 2, 4, 5, 6) (FN 1, 2,3)
