**INTERIOR DESIGN WORKSHOP**  
**COURSE ID:** ID0054  
**Instructor:** Bethany Roberts  
**TWO SESSIONS**  
Saturday, 12 PM – 4 PM, November 14 & November 21  
**NON-CREDIT** Tuition: $100  
Ever wished you could design your dream room? Join DCAD Interior Design Alum Bethany Roberts in exploring colors, materials, and planning your space to create the room of your dreams. Learn insider secrets to maximize your space and express your personality!

**DESIGN AND BRAND IDENTITY CHALLENGE**  
**COURSE ID:** YA0024  
**Instructor:** Brad Turner  
**TEN SESSIONS**  
Tuesday, 6 PM – 8 PM, September 15 – November 17  
**NON-CREDIT** Tuition: $250; 2 CEUs  
Imagine you wanted to start a boutique clothing line, skateboard company, toy company, record label or your own snack food...you would want your product or service to “stand out” from the competition by expressing individuality through distinctive design elements. This course is designed to assist students in bringing an idea to fruition with hands-on experience in creating the product identity. By reimagining ideas and focusing on fundamental design principals, graphic concepts and market trends, package design, and components of branding, students will gain perspective on how to design the elements that sell a product. By guiding students through the concept and development phase, they will then use 2D and 3D skills to create prototypes including graphics, models, packaging, and presentations that reflect their individuality and innovation.

**PRE-COLLEGE PORTFOLIO DEVELOPMENT**  
**COURSE ID:** YA0099  
**Instructor:** Meg Fierro  
**SIX SESSIONS**  
Monday and Wednesday, 6 – 8 PM, September 14 – September 30  
**NON-CREDIT** Tuition: $210; 1.8 CEUs  
**CREDIT** Tuition: $450; 1 Credit  
This course offers tools and techniques for creating a successful visual art portfolio. Students will continue to develop their individual style through a variety of assignments. Experimentation is strongly encouraged. This class includes demonstrations and hands-on practice and seeks to refine techniques and presentation skills. Each student will be given personalized direction in the selection of an area of concentration in the building of a portfolio and receive recommendations on development of additional portfolio quality works of art. FYI – Additional Portfolio Development classes will be conducted in October and November; please contact DCAD for details.

**KALEIDOSCOPE SEMINAR FOR HIGH SCHOOL STUDENTS**  
Saturday, 9 AM – 3:30 PM; November 14  
**ADMISSION:** $30  
Sponsored by the Delaware Foundation for the Visual Arts, this exciting day of hands-on workshops will be hosted by the Delaware College of Art and Design. Versatile artists and art educators will present sessions for students currently enrolled in grades 9-12 that are interested in visual arts. Students may choose a morning and afternoon workshop; lunch is included with the $30 registration fee. Brochures and registration materials will be mailed to high schools. For additional information about KALEIDOSCOPE or to be added to the mailing list, please contact Meg Fierro at 302.429.0131 or by email megfiero@gmail.com
