The law states that before awarding Federal Student Aid, we must confirm the information you and your parents (If Dependent-See Appendix 1) or spouse (If Independent-See Appendix 1) reported on your FAFSA according to federally selected Tracking Groups. **Please complete Sections A, C and Section V-4 of this Worksheet.** To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents specified in Section V-4. If there are differences, we will need to correct your FAFSA for those items, which may change your Expected Family Contribution (EFC) # generated from your FAFSA. . You and at least one parent (if you are a dependent* student)-See Appendix 2, must complete and sign this worksheet, attach any required Section V-4 documents, and submit the form and other required documents to DCAD Financial Aid Office. FAO may ask for additional information. If you have questions about verification, contact FAO, as soon as possible, at 302-622-8867, ext. 105 or 122, so that your financial aid will not be delayed.
